

Weekly Status Submission Template

Week Number: 14-16

Date: 12/1/2025

Student Name: Abdullah Siddiqui

Original Plan for This Week: (5 points)

This week, according to my project timeline, I planned to complete the following tasks:

- Finalize the Thesis Paper Final Draft (Assignment 4).
- Incorporate Dr. R's suggested improvements (table of performance metrics + policy implications paragraph).
- Complete the required supplementary materials ZIP folder (R scripts, plots, tables, README).
- Complete and polish my final presentation in Canva.
- Review formatting of the thesis and confirm that all sections match APA and template requirements.
- Upload final versions of all deliverables to GitHub and Google Drive.

Tasks Accomplished This Week: (10 points)

I successfully completed all major deliverables for the end of the semester:

- Completed Final Thesis Paper (Assignment 4), including:

Added Table 1 with Accuracy, Sensitivity, Specificity (Accuracy = 83.2%, Sensitivity = 6.2%, Specificity = 98.8%).

Added public health policy implications paragraph.

Improved Results + Discussion sections.

Applied all feedback from the First Draft.

- Completed the required supplementary ZIP folder, including:

All R scripts (BRFSS2023_ANALYSIS.R, regression files, correlation code).

Clean dataset (BRFSS2023_subset_clean.csv).

All plots (heatmap, ROC, grouped bar, coefficients, histories).

Tables (coefficients, stratified results, diagnostic metrics).

README documentation.

- Completed my Final Presentation (Abdullah Siddiqui.pdf), including:

Updated Slides 2–4 with full content.

Added 3 advanced analysis visuals to Slide 9.

Added APA references and corrected typos.

Added captions and clear findings.

- Updated GitHub repository:

<https://github.com/abdullahs1357/SeniorThesis>

Ensured all plots, scripts, and data are publicly accessible.

- Final proofreading and alignment with APA / template formatting.

Comparison of Planned vs Actual: (10 points)

I completed 100% of the tasks that I originally planned for this week.

Planned:

- Final thesis paper
- Required supplementary materials
- Presentation
- GitHub updates
- Apply feedback

Actual:

- All tasks were completed exactly as planned.
- No discrepancies this week were fully aligned with the project timeline.

I exceeded expectations by polishing both the presentation and thesis more deeply than originally scheduled.

Self-Rating of Progress: (5 points)

- ☒ Met the Planned Tasks
- ☐ Did Not Meet the Planned Tasks

Plan for Next Week: (5 points)

Since the project is now complete, next week I plan to:

- Review Canvas to ensure all required items have been submitted correctly.
- Prepare for potential follow-up or final comments from Dr. R.
- Preform my presentation

This upcoming week focuses on verification and ensuring that all deliverables are properly archived and visible.
