

Weekly Status Submission Template

Week Number: 12

Date: 11/10/2025

Student Name: Abdullah Siddiqui

Original Plan for This Week: (5 points)

My plan for this week is to incorporate Dr. R's feedback into my thesis draft, finalize the formatting and references, and begin preparing my presentation slides summarizing the main findings and visualizations. I also plan to review my code and ensure all materials are complete for the final submission.

Tasks Accomplished This Week: (10 points)

- Reviewed and integrated instructor feedback from previous reports.
- Finalized the thesis document.
- Confirmed all figures, tables, and captions follow APA formatting.
- Prepared and started designing presentation slides using Canva (or PowerPoint).
- Updated GitHub with final organized folder structure and confirmed accessibility.
- Double-checked references and citation accuracy (APA 7th).

Comparison of Planned vs Actual: (10 points)

I accomplished all planned tasks for this week. My thesis draft is finalized and formatted correctly. I also began preparing my final presentation and updated the supplementary materials.

Self-Rating of Progress: (5 points)

- ☒ Met the Planned Tasks
- ☐ Did Not Meet the Planned Tasks

I am on schedule and confident that the final submission will be complete on time.

(If you did not meet the planned tasks, please explain why and how you plan to get back on schedule)

Plan for Next Week: (5 points)

Next week, I will complete my final presentation slides and rehearse the presentation. I'll make any final edits suggested by Dr. R and submit my finalized thesis document and slides for grading.

Task	Description	Status
☐ Revise paper	Incorporate Dr. R's comments and proofread final draft	In Progress
☐ Polish visuals	Ensure all figures and tables are clear and properly labeled	Done
☐ Check citations	Confirm APA 7 formatting for all references	Done
☐ Prepare slides	Create presentation deck summarizing findings	In Progress
Rehearse presentation	Practice explaining visuals and findings	Coming next week

Evidence of Tasks Completed: (15 points)

(Please provide details of datasets, data analysis, graphs, code etc. as evidence of tasks completed. You can include links to your GitHub repository or other platforms like Kaggle where your work is stored – make sure that the links are set to public access so I can view them)
